The
cannerylodge

A Distinguished Recreational Resort

Close attention to detail took
a century-old cannery
and turned it into a premier lodge
for every occasion.

We are centrally located on the Kenai Peninsula; we offer a gated, private recreational resort beautifully situated along the banks of the lower Kenai River. Accessible by boat, air, and paved road. Day trips, extended stays and corporate groups welcome, approximately 10 minutes from the Kenai Airport and Kenai Float Plane Base.

Inquire about our private dock and boat launch, our private runway for your own 'fly in' retreat on our 2200' grass airfield along Kenai's south beach or our heated and lighted heliport.

Outdoor Recreational Activities

Sport Fishing, both freshwater fishing along the world class Kenai River and saltwater excursions out of Homer and Seward

Fish the Kenai river with experienced local guides. Kenai boasts world-record salmon and world-class rainbow fishing

Bird Watching over 225 species of birds

Customized flight seeing tours, volcano, glacier and wildlife viewing from our private airfield Fly out Fishing trips across Cook Inlet to Wolverine Creek, Kustatan River, Big River Lakes

We are the only accommodation located within the dipnet fishery on the river and are adjacent to the south beach dipnet fishery access
